What have I done to get you down?  
Has my heartache turned your smile around?  
Ã´round, Ã´round, down, gone  
Look up halo.  
Size me up now before I'm dead  
Believe what you see,  
Burn what you've read  
Maybe, baby, when I'm gone  
Look up halo

Halo, she's got a smile for me. halo.  
Halo, who knows what she sees. halo.

I'm as perfect as the man next door  
Borrow sugar when I ain't got no more  
Sugarbaby, sugar's low  
Look up, halo  
I love you girl 'til my face turns blue  
But, I don't have to hold my breath for you  
My breath to have, my breath to hold  
Come on, halo

Chorus

She's the kind that shines  
Everything's in her hands

Carry me to higher ground rise up, rise up  
Staring down on what I've found  
Well, I think I've found a smile for me  
For me the smile until I see  
What it is she see's in me say me,  
My oh, my in her eyes I'm loving her constantly  
Around, down, down  
Drop me off, oh set me down yeah, baby  
Look up, come on, look up  
Things are looking up for me  
Size me up so that you might see  
That baby, maybe  
For me and you. you and me. halo  
She's got a smile for me,  
Oh halo
