I could be here
I could be in a salad
I could be out of town
I could be in paradise

I could be anywhere
I could be anywhere

I could be near the refrigerator
I could be on the roof
I could be in Mesopotamia
I could be back in the salad again

I could be anywhere
I could be anywhere
I could be anywhere

I could be in transit
I could be in bed
I could be incandescent
I could be in, I could be out
It doesn't matter, leave me alone

I could be anywhere
I could be anywhere
I could be anywhere
I could be anywhere

I could be back in the salad again
I could be back in the salad again
I could be back in the salad again
I could be back in the, back in the salad again

I could be back in the, back in the
Back in the, back in the salad again
I could be back in the salad again
