to live here now  
lying down  
living as one of the bloodless  
having been down with bloodletting  
having let all of the blood out  
having been bled dry by leeches  
having let leeches bloodlet you  
lying lifeless and bloodless  
you lie as you live  
without life  
lying lifeless and bloodless  
living lifelessly  
bloodlessly  
bleeding without bloodshed  
all blood having been shed  
the shower of leeches that sucked you dry  
the shower of blood that cleanses and dies  
dyes you red dyeing  
red lying  
dead lying  
bled shedding  
bloodletting  
shining in red  
said the lecherous leech

lead  
bleed  
feed the red anger  
drown in the shower  
bathe in the blender  
the sender-receiver of life  
that you lie; that you dye as you bleed  
as you flee like a leech  
unleashed  
released  
deceased  
insist  
refuse  
resist  
transfuse  
ooze  
snooze

dream  
awaken  
get the lead out, let the blood out x8
