I'm in love again, oh-oh  
Been like this before, oh-oh  
I'm in love again, oh-oh  
This times true I'm sure, ooh-oo  
Don't wanna be hurt like no nightly wonder, ooh-oh  
I been hurt so many times before, oh-oo  
So my darling, I will never leave you, oh-oh  
You can tell I've learned to always, LOVE YOU MORE,  
ooh-oo

Love you more,  
Love you more,  
It's my heart again, oh-oh

That drives me so wild, oh-oh  
I just can't explain, oh-oh  
Although I'm not a child, oh-oh  
So why would I cry if you ever left me, ooh-oo  
Maybe 'cause your all I'm living for, ooh-oo With every  
heart beat I want you badly, ooh-oo  
Until I've learned to always, LOVE YOU MORE, ooh-  
ooh

Love you more,  
Love you more,

Oh my love again, oh-oh  
What I say is true, oh-oh  
Though it may sound plain, oh-oh  
I love you,

I if this is part of me that I can offer, oh-oh  
And if this is the true love then I am sure, ooh-oo  
That after this love there be no other, ooh-oo  
Until the razor cut.
