Sensitive Artist

by John S Hall

King Missile (dog fly religion) _Fluting On The Hump_
Shimmy Disc 1987

I am a sensitive artist...

I am a sensitive artist.

Nobody understands me because I am so deep.
In my work I make allusions to books that nobody else
has read,
Music that nobody else has heard,
And art that nobody else has seen.
I can't help it
Because I am so much more intelligent
And well-rounded
Than everyone who surrounds me.

I stopped watching tv when I was six months old
Because it was so boring and stupid
And started reading books

And going to recitals
And art galleries.
I don't go to recitals anymore
Because my hearing is too sensitive
And I don't go to art galleries anymore
Because there are people there
And I can't deal with people
Because they don't understand me.

I stay home
Reading books that are beneath me,
And working on my work,
Which no one understands

I am sensitive...
I am a sensitive artist...
