Gary and Melissa loved to make love
Loved to make love
Loved to make love
Over and over and over again

For the first few weeks of their relationship,
They made love four or five times a night
They were really turned on for a while

Then, to heighten their passion,
They bought sex books:
The Joy of Sex,
The Sensuous Couple
The Joy of Sex Part Two,
The Kama Sutra,
Even Yet Still More Joy of Sex
Popular Mechanics,
Betty Crocker
Anything

They tried as many positions as they were capable of
Physically
Physically
Physically
They were really turned on for a while

Then, to heighten their passion,
They bought sex toys:
Ben Wah Balls,
French Ticklers
Nipple clamps,
Cock Rings
Whips and Chains and Bondage gear
Bowling Balls,
Dildos,
Vibrators
Watermelons
Commemorative Statuettes of Liberty
Anything
They were really turned on for a while

They set up a video camera and taped themselves
having sex
Then they watched it on the VCR while having more sex
Then, to heighten their passion,
Gary taped Melissa having sex with some of his friends
And Melissa taped Gary having sex with some of her
friends
Then they watched it on the VCR while having more sex
They were really turned on

As the years went by,
Gary and Melissa became fine upstanding members of
their community
Although they never married,
Their relationship outlasted all the marriages on their
block
And they never fought,
Except to heighten their passion
They had made an agreement that when one of them
died,
The other would continue to live with and make love to
the corpse,
But as luck would have it,
They were both killed in a freak accident
And died at the exact same moment, holding hands
