I am a sensitive artist (X6)
Nobody understands me because I am so deep.
In my work, I make allusions to books that nobody else
has read,
Music that nobody else has heard,
And art that nobody else has seen.
I can't help it, because I am so much more intelligent
and well-rounded
Than everyone who surrounds me.
I stopped watching tv when I was six months old
Because it was so boring and stupid,
And started reading books,
And going to recitals and art galleries.
I don't go to recitals any more,
Because my hearing is too sensitive,
And I don't go to art galleries anymore
Because there are people there,
And I can't deal with people,
Because they don't understand me.
I stay home, reading books that are beneath me,
And working on my work, which no one understands.
I am sensitive.
