As long as the blood flows I'll be alright  
As long as the nightfalls I will understand  
As long as I keep thinking I will be forgetful  
As long as I try I'll keep giving in...giving in

As long as the blood flows I'll be alright whether I like it  
or not I will survive

As long as fire burns inside my soul I'll stay alive  
As long as silver shines upon my face I'll melt it down  
with a touch  
As long as I hear the music a pained look will stay on  
my face  
As long as I understand I will ramble on...I will ramble  
on

As long as the blood flows I'll be alright whether I like it  
or not I will survive
