I want you to pull me in from the edgeâ€¦save me from
the street belowâ€¦
My arms can't hold my weight much longerâ€¦the
concrete is making me lose my gripâ€¦

I need you to drag me away from this wreckageâ€¦I
fear I might have lost to much bloodâ€¦
The windshield is cracked so I can't see clearly nowâ€¦I
need you to save me or say goodbye...

Make me feel necessaryâ€¦make me feel you can't live
withoutâ€¦
Make me feel like a picture of religion...make me feel
like I want you to feelâ€¦

I beg you to push me off of the path of that speeding
trainâ€¦unless you feel I'm a waste of your timeâ€¦
My legs feel numb every time I'm around youâ€¦but I
think I could run if you told me about loveâ€¦

I'm sorry for begging you to save meâ€¦I just want to
feel important to youâ€¦
I think I'm trying too hard to be understoodâ€¦I've got
nothing else left to doâ€¦

Make me feel necessaryâ€¦make me feel you can't live
withoutâ€¦
Make me feel like a picture of religion...make me feel
like I want you to feelâ€¦

I want you to pull me in from the edgeâ€¦save me from
the street belowâ€¦
My arms can't hold my weight much longer nowâ€¦the
waiting is making me lose my gripâ€¦

I beg you to push me off of the pathâ€¦I need you to
get me out of my headâ€¦
The windshield is cracked but I can see clearly
nowâ€¦make me feel like I want you to feelâ€¦

Make meâ€¦make me feelâ€¦make me feelâ€¦
