Maybe I'm a criminal...maybe I'm a hero...
Maybe I will save the world...maybe I will cause it's
death...
Maybe I'll be a family man...maybe I'll stay alone...
Maybe I'll be a really good husband...and maybe I
won't...
Maybe I don't really love you....maybe I don't really love
you...
But I think I do....

I'm still here...but I'm sinking...I'm trying to find my own
way out...
And if I go too deep...the last thing I want to see will be
you...
All of you...

Maybe I am jealousy...maybe I don't give a damn...
Maybe I have always wanted to be
you...maybe...probably...
Maybe I'm a bastard for breaking your heart...
But I never wanted to...
Maybe I don't really love you...maybe I don't really love
you...
No I know I do...

I'm still here...but I'm sinking...I'm trying to find my own
way out...
And if I go too deep...the last thing I want to see will be
you...
All of you...

And while I'm on my way out the door...I'll shake your
hand...
And maybe then...maybe then I'll know who you
are...who I am...
Who you are...
