I don't know exactly what this is that I'm going through
Well, I know it seems like I'm somewhere else when I'm
talking to you
Well, I know what I'd be thinking if it was you acting like
this
Girl, you gotta trust me when I tell you that ain't what it
is

I'm still standing where I always stood
Right here beside you like I told you I would
I'm here forever, if it's the last thing I do

Baby, I'm in for better or worse
Even if it's hard, even if it hurts
I'm going the distance
And baby, I'm going with you

Maybe it's that mountain of bills on the cedar chest
Maybe it's my boss man, maybe it's the I.R.S.
I don't know what it is, don't know how long it might last
But I know it ain't nothing, our love ain't gonna get me
past

Well, I'm still standing where I always stood
Right here beside you like I told you I would
Well, I'm here forever, if it's the last thing I do

Baby, I'm in for better or worse
Even if it's hard, even if it hurts
I'm going the distance
And baby, I'm going with you

Well, I'm still standing where I always stood
Right here beside you like I told you I would
Well, I'm here forever, if it's the last thing I do

Baby, I'm in for better or worse
Even if it's hard, even if it hurts
I'm going the distance
And baby, I'm going with you

I'm going the distance

And baby, I'm going with you
