She moved into my old apartment
That's how we got this whole thing started
She called and said that I had mail waiting there for me

I told her that I'd come and get it
How could I know in just a minute
That I'd be standing face to face with my own destiny

Oh and we sat there talking just like we were old
friends
Oh then I asked her, can I see you again?

She said, "Yes" and I said, "Wow"
And she said, "When" and I said, "How about right
now"
Love can't wait then I asked if she believed in fate
And she said, "Yes"

The days flew by just like a fast train
And nothing else has been on my brain
Except the thought of how she makes me the man I
want to be

She's the one I want for a million reasons
Loving her is just like breathing
It's easy and it's obvious, she was made for me

Oh then it happened one night looking in her eyes
And oh when I popped the question much to my
surprise

She said, "Yes" and I said, "Wow"
And she said, "When" and I said, "How about right
now"
Love can't wait then I asked if she believed in fate
And she said, "Yes"

So we called the preacher, family and friends
And nothing's been the same since

She said, "Yes" and I said "Wow"
And she said, "When" and I said, "How about right

now"

Love can't wait then I asked if she believed in fate

And she said, "Yes", she said, "Yes"
