Print Correct

Boom!

Dikki da dik da dik da.
We live in positive way.
Dikki da dik da dik da.
We live in positive way.

We never settle for this.
We live in positive way.
We never settle for this.
We live in positive way.

Freedom awaits you, you got to grab and take it,
Beneath the underdog, dog with no collar.
Freedom awaits you, you got to grab and take it,
Beneath the underdog, dog with no collar.

This is the, this is the, this is the, this is the,
This is the great escape.
This is the, this is the, this is the, this is the,
This is the great escape.

Dikki da dik da dik da.
We never settle for this.
Dikki da dik da dik da.
We live in positive way.
We never settle for this.
We live in positive way.
We never settle for this.

Nothing to fear but your own self,
Freedom awaits you, got to grab and take it.
Nothing to fear but your own self,
Freedom awaits you, got to grab and take it.

This is the, this is the, this is the, this is the,
This is the great escape.
This is the, this is the, this is the, this is the,
This is the great escape.

Boom! Boom!
Boom! Boom!

And into the sunset they rode, forever free.
