i?m the fucking one without a jacket
when i play with the microphone
i rip it yes i wreck it
fools in my way
step out of my way
with this lyrical style
you?re gonna get sprayed
masterminded with a master plan
well i?m back to the jam
with a mic in my hand
so where would you rather be
living on your hands and knees?
well they got you wanting it so bad now
it?s just a fucking tease
use you mind over matter
don?t give in
reach for carrot
that?s still hanging
masterminded by a master plan
yes... they don't give a damn
they give with one hand
and they got take with the other
while they say they're your friend
but their world is a lie
they give with one hand
and they got to take with the other
well ya know its the end
but it?s just the beginning

dominant view
i see the dominant view
yeah its a dominant view
yeah its a dominant view
dominant view
yeah its a dominant view
i see the dominant view
yeah its a dominant view
it?s all over you

i?m the fucking one
with the pin-stripped jacket
orchestrate my shit
while the drummer?s getting wicked
in your mind
no room to decide
all the same
so you?re trapped inside
masterminded with a master plan
well i?m back to the jam
with a mic in my hand
