I got a drunken angel  
on my shoulder  
Singing Smokestack  
Lightnin' in my ear,  
Lord,  
Got no star to follow,  
got no hill to climb,  
Only love to lose in  
these times.

And now I will go  
down to the edge of  
the world,  
And dive down in the  
ocean,  
I will sing a song to  
break a siren's heart,  
And I will kiss the sun  
one time for you.

On a winter's evening  
  
the city died,  
Only the clouds were  
crying, only they  
didn't know why,  
I hear the dogs, a  
howling fit to wake  
the dead,  
Black stars flickering  
as the sky turns red.

And now I will go  
down to the edge of  
the world,  
And dive down in the  
ocean,  
I will sing a song to  
break a siren's heart,  
And I will kiss the sun  
one time for you
