Did your heart get  
broken?  
It's just the wheel gone  
round,  
Did the golden ghost of  
your love  
Fade away without a  
sound?  
Hope springs eternal,  
In the fields of the night,  
Give a little love to  
yourself,  
Put some heart back in  
your life.

No more the bleeding  
heart,  
Put your cross away,  
Sun move out from  
behind  
the clouds, it's  
Redemption Day.

Come on down to the  
water,  
Come wash yourself  
clean,  
hard knocks from  
running  
on the rocks  
In a world cold and  
mean.  
Seems like the stars up  
above  
Water heaven with their  
tears,  
Dreams feed the sea of  
understanding,  
They bring a good heart  
near.  
No more the bleeding  
heart,

Put your cross away,  
Sun move out from  
behind  
the clouds, it's  
Redemption Day.

Behind the morning star,  
Where lovers live,  
Say not what you can  
take,  
Say what you can give,  
When it seems like the  
stars up above  
Water heaven with their  
tears,  
Dreams feed the sea of  
understanding,  
They bring a good heart  
near.

No more the bleeding  
heart,  
Put your cross away,  
Sun move out from  
behind  
the clouds, it's  
Redemption Day.

Bullet for brains, barrel  
for  
eyes,  
But she stole your gun  
away,  
Sun move out from  
behind  
the clouds, it's  
Redemption Day
