[2] awww shit!!  
{\*beatdown continues\*}

[king tee]  
I gotta leave this crazy place, but my feet won't budge  
The niggaz always ask am I a crip or a blood?  
I am what I am and that's all I can stands  
I can't stands no more so i'ma scam  
Sell me a couple of ki's and buy a crib far away  
A place that the map don't say  
Cause I'm gettin kinda timid, at first I was with it  
Talk about jack moves, I did it  
I took cars, snatched jewelry, and boy I'd run  
With the colored rag over my gun

And there was times I had to pop fools {\*blam\*}  
Because they didn't believe that the glock rules  
When I say get out, get out! and I might not shoot  
Then I'm off to put your dayton's on my coupe  
But nowadays I have to figure  
What goes around comes around for the triflin nigga

{\*third skit: g's discussing a hit\*}  
[1] there the nigga!  
[2] nigga nigga fuck that, I'm gonna shoot this nigga  
right here  
[2] man, watch this  
{\*gun being cocked sounds\*}  
[2] I ain't got time to be playin with this motherfucker  
nigga  
[2] show this nigga what time it is nigga  
[1] yo yo hold up  
[2] nigga watch out nigga  
[1] come on man  
[2] nigga watch out nigga {\*incomprehensible\*}  
[2] fuck that nigga man, fuck that nigga  
[1] we don't need to get indicted  
[3] yo yo the nigga got a gat!!  
[2] nigga fuck that nigga nigga! nigga fuck that nigga!  
[2] nigga fuck that nigga!  
{\*blam! blam! blam-blam-blam!\*}  
[2] nigga fuck that nigga!!

[king tee]  
Back in the days I used to stand on the block with my  
box  
Watchin my boy run up to cars and sell rocks  
He was young and bold, lot of money and gold  
Kept a gat on hold in case suckers tried to roll  
A car stops, he trots, yellin here comes the cops  
He's only sixteen, but he's braver than his pops  
His mother and father, smoke crack like I drink brew  
Survival's on his mind so he serves them too  
School isn't important, he's importin big packages  
Across the border, a little shorter than a million  
quarters  
All the women ride his jock like a jockey  
He says "i'm on top, there ain't a cop who could stop  
me"  
But confidence, is his best defense  
At night he carries a gauge he fit inside of his trench  
He says "a punk try to run up, i'ma pull the trigger"  
What goes around comes around for the triflin nigga!

{\*fourth skit: a drug deal in progress\*}  
[1] what's happenin man you got those birds?

[2] yo you got the money homey?  
[1] aiyy man whatchu gonna ask me somethin like that fo'?  
[3] look man, fuck all the bullshit  
[1] man here you go right here man  
[2] show the money dawg  
{\*briefcase is opened\*}  
[1] nigga, there you go, so what's happenin?  
[? ] I like that, we in business  
[? ] man - fuck you nigga, this is a jack, it's a jack nigga  
[? ] always gettin him, hey what's up?  
[2] nigga, strip down, get butt-naked nigga

[king tee]  
I heard one-time wanna peel my cap  
For the gangster rap to make niggaz start fightin back  
But I don't even give a fuck  
Pass the ak, and one-time better duck {\*automatic fire\*}  
Cause I don't give a fuck about a piece of tin  
I [\*scratch\*] shit off your chest and then grin  
And move on to the next motherfucker  
Cops ain't nuttin but the klan undercover  
And they be lynchin motherfuckers up nightly  
That's why they need mo' motherfuckers like me  
To stand on the scene and pull the [\*trigger\*]  
Cause I'm a triflin nigga

{\*fifth skit: passengers in a car\*}  
[1] yo yo, yo they got the lights on, that's the cops  
[2] aww God damn!  
[1] pull over!  
[2] y'all just chill out, y'all just chill out, y'all just chill out  
[2] chill out alright? here he comes, here he comes  
[c] can I see yer driver's license registration and proof of insurance?  
[2] what did I do officer?  
[c] get get your hands on the wheel!  
[2] man what did I do? what you talkin about?  
[1] man fuck that nigga man  
[? ] blast that motherfucker, blast him!  
{\*blam, blam blam blam, blam\*}  
{\*car peels out and takes off\*}
