Yo, this is King Tee  
I got my Home Girl Yo-Yo in the house  
She wants to tell you about the St. Ides brew  
You know what I'm sayin? !  
Yo-Yo

There's no way you can skip the subject  
You drink St. Ides simply cause you love it  
Admirin' it, and I'm the one who inspirin' it  
St. Ides is in the house  
Ladies, let's try this  
Gets you in the mood, makes you wanna oohh  
Girl, I'm tellin' you  
Have your soul relax, you came or back around up  
And you'll be goin' for six pack  
Better than your ordinary  
This what keeps you mellow honey  
Drinkin' it on the open up, it's guaranteed to save your  
money  
Have you on the door, can't say no or why you add it  
Grab some for Yo-Yo  
There's nothin' to see, the super St.  
St. Ides Malt liquor is the best in the streets G

Ha ha ha yeah, Yo-Yo  
Stompin' through the 90s  
Ladies, don't be afraid to go out there and tell your  
man:  
Aiy look, you need a six pack  
You know what I'm sayin? !  
St. Ides
