Reigns Insanity Spilling Killing all in sight
Bloodstains on my hands
Broken body in a wreck
Frantic minds fight for possession
Magnifying the power
The world is rough
The end is near
Desperation's all around

Blood runs everywhere
Screaming for your life
Death is the fate
In life and death we deal
I will never die
Violence
Misery
Engaged in war
Fight on, but what's to gain?
Vulgar
Parasite

Artificial peace
Corroding from inside
Through the endless desperation
Where you'll live your last
Don't need to hear the truth
I know what to do

Not for the power
Not for the fame
Down on myself
Hold fast to your faith

Screams so loud
Struggle to survive
A deadly scream
Run for your life
A state of mind
I taste the fear
Living on the edge
All your life
