

King's Evil "False Pride"

Vain
Shining faint light in the dark only for myself
Curse
Without a shame in your vicious mind
Light my fuse
Pride
The craving never seems to go away
You're gonna see
Faith
You look down around all the humans
At all times

All sensation of feeling
Beyond my imagination
My emotion treads down
Without minding about me
Deceptive shape
Can't bear the sight of you
Most needless type for me
For progress of my way
It's you
False pride...

Defect
Living inside of you
Infectin Waste
Putrid blood Infecting me
Thinking down to your level
Blind
Ruling my brain
Ripping my soul
Out of my way
Blood
The sights of you
The thoughts of you

All sensation of feeling
Beyond my imagination
My emotion treads down
Without minding about me
Deceptive shape
Can't bear the sight of you

Most needless type for me
For progress of my way It's you
