Worship of god
No zest for me
No mind to find out
Seeing through you
Hoping to be a spurious god
Make a cat's paw of me
No agreeing No defeat
Fed up with your talk
It's absurd trying to obey
Bloodshot eyes with insanity
Noways of judging
No sense of right and wrong

You make a mess of my creation
Caused by a cowardly act
Get out!
Distaste!
No need for me
You attract the attention of a man
Make use of groundless words
Groundless words!
You tread down my good wishes
You try to play tricks on me.
Get out!
Distaste!
We're you grown to be a god?
You're watching yourself in the looking glass
You seem to be mad
Reflection in the mirror

Excess mind!
It's your limit!
There's no future!
Take displeasure!
Discontinuity!
Lose your mind!
Self-destruction!
Never come to me!
Die out!

Mad faith maniac
Over the grasp

Getting around in the darkness
No eyes
No thoughts
Showing ass in my field
Mastery offering me a light
Rotten to the core
From the inside are you
Hard of revising for you
You don't see around
You turn a deaf ear

You'll see that nothing can be done

Your behaviour brings disgrace to my way
Sacrifice me for the benefit
Get out!
Distaste!
No need for me
You are left behind with infirmity
You are left behind with a gloomy hope
Take it for granted
You bring me on
Lost emotions revive
I decided on a course of action
Raging!
Hatred!
Pay your tribute of praise
You don't turn away your eyes
Find the solution from the eager world

Excess mind!
It's your limit!
There's no future!
Take displeasure!
Discontinuity!
Lose your mind!
Self-destruction!
Never come to me!
Die out!
You make a mess of my creation
Caused by a cowardly act
Get out!
Distaste!

No need for me
You attract the attention of a man
Make use of groundless words
Groundless words!
You tread down my good wishes
You try to play tricks on me
Get out!

Distaste!
We're you grown to be a god?
You're watching yourself in the looking glass
You seem to be mad
Reflection in the mirror
You are dregs
Brainless
You die
You are the worm
Black-minded
You'll vanish
