So you say you can't afford to live,
because you're broke, is this a joke?
with a credit card you pay your bills,
because you're broke, is this a joke?
hey baby, stop acting so crazy,
living way beyond your needs
this affliction and addiction,
isn't free
na na na na, na na na na, yeah,
na na na na, na na na na, yeah,
na na na na
life is a ghetto when you're going down,
because you're broke, is this a joke?
the pressure's rising,
heading for a stroke,
because you're broke, is this a joke?
hey baby, stop acting so crazy,
living way beyond your needs
this affliction and addiction,
isn't free
na na na na, na na na na, yeah,
na na na na, na na na na, yeah,
na na na na
the debt is rising, and you overload,
because you're broke, is this a joke?
so go buy something,
that you can't afford,
because you're broke, is this a joke?
hey baby, stop acting so crazy,
living way beyond your needs
this affliction and addiction,
isn't free
hey baby, stop acting so crazy,
living way beyond your needs
this affliction and addiction,
isn't free
