Have you gotten any cigarettes
And have you got anything for me?
I no longer know just what I'm saying
Is this how it's supposed to be

Sometimes, I think the pain blows my mind
Pain blows my mind

Is it June or late September?
Is it 1993?
Could you help me to remember?
Is this how I'm supposed to be?

Sometimes, I think the pain blows my mind
Pain blows my mind

Did you ever get those cigarettes
And did you get anything for me?
Will you help me to remember
When I fall into the sea?

Sometimes, I think the pain blows my mind
Pain, blows my mind
Pain, blows my mind
Pain, blows my mind

Pain, pain
Sometimes, I think the pain, pain
Sometimes, I think the pain, pain
Sometimes, I think the pain blows my mind
Blows my mind, oh
