Too many tears from your eyes
never enough coming from mine
i've been sold to find my way
i'm not looking for love today...
sorry julie
sorry that i made you cry
i could die
sorry julie
sorry that i couldn't quite
realize my pride
yoo hoo...
too many tears from your eyes
never enough coming from mine
i've been sold to find my way
i'm not looking for love today...
sorry julie
sorry that i made you cry
i could die
sorry julie
sorry that i couldn't quite
realize my pride
yoo hoo...
