Hell's screaming,
for those stealing children,
make them do things they ain't willing, oh
hell's screaming
for those who love their killing,
men women and children, genocide
love and rockets in my pocket,
gonna get ya high,
who can stop it,
love and rockets fly,
hell's screaming,
for those who persecute women,
wage wars for religion, love suicide missions,
hell's screaming
for those who teach their children,
to hate someone cause they're different,
and carry signs,
love and rockets in my pocket,
gonna get ya high,
who can stop it,
love and rockets fly,
hell's screaming, hell
hell's screaming,
hell's screaming, hell
hell's screaming,
love and rockets (love and rockets)
in my pocket, (in my pocket)
gonna get ya high, (gonna get ya high)
who can stop it, (who can stop it)
love and rockets fly, (love and rockets fly)
