Perfect peace  
Mountains robed in glory  
Coming into view  
Father speaks  
Son becomes the story  
Essence of all true  
I saw what cannot be seen  
She spoke to me  
Take what you've learned set it free  
See what you'll see  
Ah flowing power waterfall of wisdom  
Flawless bold commands  
Masterpiece written o'er the vision by the perfect man  
Living martyr truer than the seasons  
No more place for lies  
Cast a seed push aside the reason  
Reign of terror dies
