Trapped inside, these walls surround me  
Closing in it's hard to breathe  
It's okay, I hear the shouting  
What is left, the will to be

The power, power of love  
Takes me, takes me from here  
The power of love

On my hand I have no scars  
In my heart's a weary beat  
If you go I will follow  
Where you are I will be

The power, power of love  
Takes me, takes me from here  
The power of love

The power, power of love  
Takes me, takes me from here  
The power of love

On my hand, I have no scars  
In my heart's a weary beat  
If you go I will follow  
Where you are I will be

Everybody  
Power, power of love  
Takes me, takes me from here  
The power of love

Power, power of love  
Takes me, takes me from here  
The power of love

Give me power of love
