What did you say there my sister  
My brother you talking to me?  
What denomination  
The whole thing seems crazy to me?

Don't know  
I sometimes wonder if we're  
Walking down the same line  
Must go  
I'm sorry to say that while you talk  
I keep my eye on the time

And when we pray  
Do we listen to the silent wind?  
And if you pray  
Do we listen for the silent wind?

What did you say?  
Well the truth is just what it simply is  
Maybe I'm lazy  
Or maybe I never was a conversation whiz

Don't know  
But can we pull down the walls  
For just a moment or two?  
Must go  
And maybe look beyond ourselves  
To see whatever is true

And when we pray  
Do we listen to the silent wind?  
And if we pray  
Will we listen for the silent wind?

And when we pray  
Is our hand against the silent wind?  
And if we pray  
Will we breathe in the silent wind?

And when we pray  
Do we listen to the silent wind?  
And if we pray

Will we listen for the silent wind?

And when we pray

Is our hand against the silent wind?

And if we pray

Will we breathe in the silent wind?
