No I'm not sad about it
No I'm not mad about it
Sort of getting used to it
Everybody leaves sooner or later

No I'm not hurt about it
No I'm not sure about it
Must be good at chasing away
Everyone I love sooner or later

Now I always think about it
Yeah I always think about it
There's never nothing left to say
Everybody does sooner or later

I don't know what it is about me
That magnifies my self conscience
Operation numb the pain
Gonna take you higher sooner or later

Gonna keep on trying
Gonna stop this crying
It's just another day
It's just the way

No I'm not mad about it
No I'm not sad about it
Sort of getting used to it
Everybody leaves sooner or later
