I don't wanna do this anymore
I really wanna do it

I don't wanna do this anymore
I really wanna do it

Hello, I didn't mean to hide my feelings from you
I was afraid of what you would say and go tell
somebody

I don't wanna do this anymore
I really wanna do it

I don't wanna do this anymore
I really wanna do it

Hello, I didn't mean to put my faith in you
I was afraid of losing my place and get nothing from
this

I don't wanna do this anymore
I really wanna do it

I don't wanna do this anymore
I really wanna do it

Give me your address I'll send you my life in a jar,
Maybe, you can give it to whosoever you like

I don't wanna do this anymore
I really wanna do it

I don't wanna do this anymore
I really wanna do it

Goodbye, I can go back to my pondering
I was ashamed, but not anymore and I thank you for it

I don't wanna do this anymore
I really wanna do it

I don't wanna do this anymore

I really wanna do it

Goodbye, threw my heart shaped box in the trash
today

I was ashamed, but not anymore, but then you showed
me

I don't wanna do this anymore

I really wanna do it x4
