Well, bless my soul, what's wrong with me
I'm itchin' like a man on a fuzzy tree
And my friends say I'm actin' wild as a bug
I'm in love, woo, I'm all shook up

Well my hands are shaky and my knees are weak
I can't seem to stand on my own two feet
And who do you thank when you have such luck
I'm in love, woo, I'm all shook up

You gotta jump and shake, jump and shake, jump and
shake and do your thing
You gotta jump and shake, jump and shake, jump and
shake and do your thing
You gotta jump and shake, jump and shake, jump and
shake and do your thing
You gotta jump and shake, jump and shake, jump and
shake and do your thing
You gotta

Please don't ask me what's on my mind
I'm a little mixed up but I feel fine
When I meet the girl that I love the best
My heart beats so it scares me to death

Well she touched me on the hand, oh what a chill I got
And her lips were like a volcano's top
I'm proud to say that she's my butter cup
I'm in love, woo, I'm all shook up, yeah

You gotta jump and shake, jump and shake, jump and
shake and do your thing
You gotta jump and shake, jump and shake, jump and
shake and do your thing
You gotta jump and shake, jump and shake, jump and
shake and do your thing
You gotta jump and shake, jump and shake, jump and
shake and do your thing

He's in love, he's all shook up
He's in love, he's all shook up
He's in love, he's all shook up

He's in love, he's all shook up
He's in love, he's all shook up
He's in love, he's all shook up
He's in love

You gotta jump and shake, jump and shake, jump and
shake and do your thing
You gotta jump and shake, jump and shake, jump and
shake and do your thing
You gotta jump and shake, jump and shake, jump and
shake and do your thing
You gotta jump and shake, jump and shake, jump and
shake and do your thing
