[Alan:]

Through dark I'm moving  
And silence is my friend  
The mission now has started:  
To find and take the trail!  
While Jason sleeps in darkness  
I feel my heart that runs  
My power my temptation  
The sin's now in my hands

Oh, but now I can't find what they want  
Oh, but now I can't leave,  
Now I can't fail in this way

I must find it!  
They'll give power to me  
Forever and on  
I must find it!  
They'll give power to me  
Forever and ever and on

Fumbling in the shadows  
(the terror to be found)  
I think about the glory  
The U-turn of a life  
When this task will be over  
I'll be sure of my fate  
The moment of my rising  
Is bound to the game

Oh, but now I can't find what they want  
Oh, but now I can't leave,  
Now I can't fail in this way

I must find it!  
They'll give power to me  
Forever and on  
I must find it!  
They'll give power to me  
Forever and ever and on
