

## Kingdom Come "And I Love"

Visit "[And I Love](#)" on MotoLyrics.com

I give her all my love, Thats all I do  
And if you saw my love, You'd love her too  
And I love her  
She gives me ev'rything, And tenderly  
The kiss my lover brings, She brings to me  
And I love her

A love like ours could never die  
As long as I have you near me

Bright are the stars that shine, Dark is the sky  
I know this love of mine, Will never die  
And I love her

Bright are the stars that shine, Dark is the sky  
I know this love of mine Will never die  
And I love her
