"Anywhere I Go"

Cooling my ground and stop the straying
Settling down what I've been saying loud
Running around in the chicken stable
Ending your pride on any tables found

Don't know what it takes
Don't know what it's like
Anywhere I go
Anywhere in time
Gotta find the door
With an exit sign

I don't know why I can't be staying
Should I give up and stop the waiting now
Feeling alone and so unstable
Still haven't found piece, I'm feeling down

Don't know what it takes
Don't know what it's like
Anywhere I go
Anywhere in time
Gotta find the door
With an exit sign
Anywhere I go
Anywhere in time
Gotta find the door
With an exit sign

Running too far from you
Throwing away my tears
Holding you tight I will
Gonna leave you now

Anywhere I go
Anywhere in time
Gotta find the door
With an exit sign
Anywhere I go
Anywhere in time
Gotta find the door

With an exit sign
