

Kingdom Come "Both Of Us"

Visit "[Both Of Us](#)" on MotoLyrics.com

Come and lay your head
On my shoulder
For the world has grown
So much colder
I feel you tremble like a frightened child
Let me shower you
With affection
There's no need for such
Self-protection
I feel your body melting into mine

Chorus:
Talkin 'bout the both of us
Don't need to cry
No one can destroy our trust
(No one can replace your touch)
And we know why
Hound to misery
And seduction
There's no need for this
Self-destruction
Start reaching out for what is real in life.
