I have never seen her cry
Hasn't shown the slightest smile, oh
Doesn't share her deepest thoughts
She just lets her body talk

I can't resist
Gotta go and kiss her
With a scattered mind
Can't see in her eyes of stone

I don't think she's hurt inside
Just reserved with a sense of pride, oh
Thinking what's gonna make her show
Straight attack's gonna let me know

I can't resist
Gotta go and kiss her
With a scattered mind
Can't see in her eyes of stone

I can't resist
Gotta go and kiss her
I can't resist
Gotta go and kiss her

With a scattered mind
Can't see in her eyes of stone

I just can't resist
Gotta steal a kiss
It's like hit or miss

Got a scattered mind
Oh, oh, oh
I'm burning inside
