Got to hideaway  
Got to hideaway

Faces all around us frowning  
Fighting hard to keep from drowning  
Wish we were alone, wishin' we could go  
Runnin' for our love, wishin's not enough

Got to hideaway  
Got to hideaway  
Got to hideaway

All around us things are crashing  
Everywhere there's red lights flashing  
Wish we were alone, wishin' we could go  
Runnin' for our love, wishin's not enough

Got to hideaway  
Got to hideaway  
Got to hideaway  
Yeah, got to fade away, look out

Seems this road's without an ending  
Seems as if this route's descending  
Oh, babe, I wish we were alone and I'm wishin' we could  
go  
Well, we're runnin' for our love 'cause wishin's not  
enough

Got to hideaway  
Got to hideaway  
Got to hideaway  
Got to hideaway

They just can make us stay  
We're gonna rock away  
Wishin' we could go  
Runnin' for our love  
Wishin' we could go, got to hideaway
