Every hour somebody's
Drivin'

Down the highway 6
I'm talkin' 'bout the road
That'll lead you to the
River styx
A man down there says
He's gonna take away your
Pain
I tell ya he's a liar
And you'll never see your
Friends again
I lost a fr!end of mine
Who took that road
He felt the world had
Turned
And left him cold
Highway 6
Doesn't take you home
Highway 6
Deadly fix
The pressure rises
You can't take the load
You've got no hand to hold
Except your own
Highway 6
Doesn't take you home
Highway 6
Deadly fix
I know these words
They may not save your soul

But there's a way
You should not ever go
Highway 6
Doesn't take you home
Highway 6
Deadly fix
