Day after day
Here's how it goes
Killing, rape and soap divorces
Television shows

All of this talk
Leaves me in doubt
Choosing to ignore it all
I'd rather be left out

Living out of touch
It got a bit too much
Living out of touch

Eyes open wide
Thought comes along
If you let them they will just
Keep going on and on

Set in the light
Seem pretty sharp
Still it looks exactly like
They're standing in the dark

Living out of touch
It got a bit too much
Living out of touch, yeah

Living
Living out of touch
Living out of touch
That's why I'm living out of touch

All of this talk
Leaves me in doubt
Choosing to ignore it all
I'd rather be left out

Living out of touch
It got a bit too much
Living out of touch

Living out of touch
It got a bit too much
Living out of touch
It got a bit too much
[Incomprehensible]
