Ohh, yeah

Passion rises between us, babe
Wanna take you in my arms
Slide your body down on mine
Come and move me like ocean waves

Ooh, let go
I hear you moan
Oh, perfect O

Touch the secret inside you, babe
While our bodies shakin' so
Oh, the way you tease and please
It's only you I want to rock and roll

Ooh, let it go
I hear you moan
Oh, perfect O, oh yeah

Ooh, let it go
I hear you moan
Oh, perfect O, oh yeah

Ooh, let it go
I hear you moan
Oh, perfect O

Perfect O, oh
