

Kingdom Come "Shot Down"

Here I am looking for answers
Driven hard with no thought of surrender
If I knew where I could find them
I could spare you the act of a madman

Shot down, scared to fall
Where do I belong?

Winds of war, holy disaster
If I could, I would fight it with laughter
Breathing hard is what I've been doing
I just hope that no evil is brewing

Shot down, scared to fall
Where do I belong?
Shot down, can't recall
Where did I go wrong?

Shot down, scared to fall
Where do I belong?
Shot down, can't recall
Where did I go wrong?
