Sitting in the dark, staring at the sky  
Within all of Heaven's eyes  
Wondering where and why  
Who made all this come alive  
Who knows what will come in time

Just to know what's the reason for making us  
Is what I would like to know  
Just to know where we go when the earth is cold  
We may never know

Stargazer  
Stargazer, live it out  
Meet the maker

All the mystery, dreams and fantasy  
We touched on our way to see  
Living day by day, trying to get away  
Dream on to another space

Just to know that you are not the only one  
Who is searching on  
Just to know that beyond there is something more  
For the rich and poor

Stargazer  
Stargazer, live it out  
Meet the maker

Stargazer  
Stargazer, live it out  
Meet the maker

Stargazer, stargazer  
Meet the maker  
Soon you will meet the maker

Stargazer  
Meet the maker  
Sooner or later  
You meet the maker

Stargazer  
Meet the maker  
Sooner or later  
You meet the maker
