

Kingdom Come "Who Do You Love"

Who do you love
Tell me now
Spit it out
No more
Smalltalk
Shut the door
Say the words
Clear the air
Look inside
It's right there
With your eyes
You can't see
'Til your heart
Is set free
Who do you love
I believe
You don't know
Time's up
Can't wait
Anymore
Say the words
Clear the air
Look inside
It's right there
With your eyes
You can't see
'Til your heart
Is set free
Who do you love
Get it right
Move along
It's your show
Choose now
And let me know
Say the words
Clear the air
Look inside
It's right there
With your eyes
You can't see
'Til your heart
Is set free

Make the choice
Wastin' time
'Cause I won't
Stand in line
