Take some time and be all mine  
Leave the worries behind  
Let me feel the magic touch  
I've been missing so much

Still I come and I will go  
Like the wind - who knows

*[Chorus:]*

Let my lovelight cover you slow  
Like the rainbow, wherever you go  
You're my secret, who needs to know, to know...  
Didn't know how strong I feel  
Love has found me, it's real  
Still I've got to leave you babe  
I'll be back if you'll wait

The heart of freedom 's pounding high  
Half is yours, half is mine

You're my lovelight  
You're my secret  
Who needs to know...
