I should go  
Even though  
I've forgiven all the lies  
That you told

Scared to take you back again  
People just don't change  
After all I know if I pretend  
I'd be lying just the same

Now you're wondering why  
Things did not turn out right  
Got to change your style  
You're not the only I know

Long ago  
Should have known  
You were young and scared to be  
On your own

Tried your luck on me again  
Fooled me for a while  
I can see the games we played before  
And it only makes me smile

Now you're wondering why  
Things did not turn out right  
Got to change your style  
You're not the only I know

Scared to take you back again  
People just don't change  
After all I know if I pretend  
I'd be lying just the same

Now you're wondering why  
Things did not turn out right  
Got to change your style  
You're not the only I know

Now you're wondering why  
Things did not turn out right

Got to change your style  
You're not the only I know

Now you're wondering why  
Things did not turn out right  
Got to change your style  
You're not the only I know

Now you're wondering why  
Things did not turn out right
