What I've seen in my lifetime  
Is enough to accept to all abandon  
It's enough to betray my faith  
Hear this prayer for her  
And let me know  
I'll give you my lifetime  
If it mus, if it must be so

I'll give you my lifetime  
I need your acceptance  
I want to believe  
But I need your redemption  
I'm alone and exposed  
In a war of fear with myself  
I need your belief  
Your need to never see this hell  
Hear this prayer now  
I'll give you my lifetime  
If it must be, if it must be so

I ask of you  
I beg of you  
To hear this prayer  
Have I given of myself to free you?  
Have I taken enough abuse to save you?  
Have I given enough have I taken enough?  
I would save you myself if the saving was there for you

I'm crying out for you  
To hear this prayer for her

I ask of you, hear this prayer now  
I beg of you,  
Hear this prayer,  
To hear this prayer
