Hey Judy, get Trudy
Ya said to call you up if I was feelin' moody
Hey little Donna, I still wanna
Ya said to ring you up when I was in Toroto

I have lots of friends that I can ring at anytime
Can mobilize some laughs with just one call
Like a bunch of lunatics we'll act 'til way past dawn
Sure we'll be rockin' 'til our strength is gone

Yeah, this beat goes on
And on, and on, and on

Hey ladies, ooh you crazies
Well, me and Zero request you in the Mercedes
And then we'll ride, so roomy inside
The sky's the limit

Next time,
I'm switchin' to glide

I don't give a hoot about what people have to say
I'm laughin' as I'm analyzed
Lunatics Anonymous, that's where I belong
Sure 'cause I am one, 'til my strength is gone

Yeah, this beat goes on
And on, and on, and on

I have lots of friends that I can ring at anytime
Can mobilize some laughs with just one call
Like a bunch of lunatics we'll act 'til way past dawn
Sure we'll be rockin' 'til our strength is gone

Yeah, this beat goes on
This beat goes on, this beat goes on
This beat goes on, this beat goes on
This beat goes on, this beat goes on
(Repeat)

THIS BEAT GOES...

Nothin' matters but the weekend
From a Tuesday point-of-view
Like a kettle in the kitchen
I feel the steam begin to brew

Switchin' to glide, switchin' to glide
Switchin' to glide, switchin' to glide

Energy can be directed
I'm turning it up, I'm turning it down
Even love can be affected
Harmony's the sweetest sound

Switchin' to glide, switchin' to glide
Switchin' to glide, switchin' to glide

Balancin' on my head
Inside of me, taking the glide path instead

Everybody gets the note now
Hear it ringing in their ears
Lots of ways that you can go, Go!
Look around, no disappears

Switchin' to glide, switchin' to glide
Switchin' to glide, switchin' to glide

Switchin' to glide, yeah... switchin' to glide
Yeah, switchin' to glide, ah... hay... oooh... aaaaa
I'm switchin' to glide, I finally found some way outta
this hole ya know

OUTTA THIS HOLE!...
