Nobody knows where my Johnny has gone,
Judy left the same time.
Why was he holding her hand?
He's supposed to be mine

It's my party and I'll cry if I want to
Cry if I want to, cry if I want to...
You would cry too if it happened to you.

Playin' my records, keep dancin' all night,
Leave me alone for a while
'Till Johnny's dancin' with me,
I've got no reason to smile.

It's my party and I'll cry if I want to
Cry if I want to, cry if I want to...
You would cry too if it happened to you.

Johnny and Judy just walked through the door
Like a King with his Queen
Oh, what a birthday surprise!
Judy's wearin' his ring.

It's my party and I'll cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you.
