Such a swine, lips like wine but it don't matter to me
Take a turn before I burn and it don't matter to me
Last day get up anyway but it don't matter to me
I'll perform I'll be fine but it don't matter to me
Cause it's always the same and I'm always the same
And I'm always the same

Whoa understand and oh god damm but it don't matter
to me
I don't know where I'm gonna go but it don't matter to
me
You could be to spread my seed but it don't matter to
me
Cause it's always the same and I'm always the same,
whoa!

I'm not a man everybody said but it don't matter to me
I better be on my seat but it don't matter to me
I'll break my heart tear me apart but it don't matter to
me, no no
I put a shine in your eye
It don't matter to me
Cause it's always the same
And I'm always the same
