Degrade me  
My purpose  
Bury me  
Beneath the surface

I'm scratching  
I'm clawing  
Trying hard  
To make them pay

Can't stand me  
Beside me  
Kid you not  
Your kiss sure killed me

The cold of  
My barrel  
Never sees  
The light of day

Call me, call me  
You could only hurt the story  
Call me, call me  
I'll be there to shine a light

The smell  
On the speakers  
Sweaty ballroom  
Dancing fever

They gather  
In numbers  
Ever for  
A closer view

The cease fire  
The weaker  
Hair so red  
I couldn't keep her

The dogs hound  
The neighbors

Everything was  
Blown away

Call me, call me  
You could only hurt the story  
Call me, call me

I'll be there  
To shine a light

Machine, machines  
Point me to the nearest party  
You'll see, you'll see  
Baby, it's the only way

Call me, call me  
You could only  
Call me, call me  
I'll be there

Machines, machines  
Point me to the nearest party
